Akron , Ohio 44316 - 0001

The Goodyear Tire and Rubber Company would like to thank each of you for submitting entries and photos for the gala celebration we are hosting for our dealers at the 2005 Goodyear Dealer Conference. We received 104 entries that included a variety of 26 different car models. All of the entries were beautiful, show-class vehicles and some of the photographs were outstanding which made the selection even more difficult. The selection committee reviewed the entries and made their decision based on criteria that represented a sampling of the tradition and heritage of Goodyear Eagle performance tires.
